Bill – can we give her a number on Colorado mines? (See 2<sup>nd</sup> question below).

Thank you. Tomorrow morning works, too. Any time between 10:30 and 1 is preferred, but I'm

willing to fit someone in at other times. Here are my questions:

1. Can you confirm a moratorium on all superfund emergency clean-up projects?
2. How many Colorado mines have ceased operations? Around 50?
3. Can you speculate when that moratorium will be lifted?

What's the status with the Caribou & Carbonero mines? Will the clean-up of these two Ophir area mines be similar to the Gold King Mine clean-up?

Thank you,

Caitlin

Caitlin – we are working on getting you answers but we do not have anyone available for an interview.

I'll be in touch.
